#### ITINERARY CHANGES

Although every effort is made to adhere to schedules, routes, lodges and camps occasionally may change while on safari as dictated by changing conditions. Such conditions may be caused by seasonal rainfall on bush tracks, airfields and in game areas, by game migrations from one region to another, lodge and camp overbookings, airline delays and schedule changes or other booking problems or the like. Kiboko Land Adventures is not responsible for such external events or resulting itinerary changes. If a guest initiates any change to the safari itinerary, including accommodations, flights, services, etc., the guest is responsible for all expenses arising from that change. These additional expenses are the responsibility of the guest to pay for directly in Tanzania or interim destinations as applicable.
